COMIC BOOK CLUB & DISCUSSION GROUP

Attention all true believers! The Belleville Public Library and Information invites you to join in the fun as we talk, brag, debate the great universe of comics and graphic novels. Who's your favorite super hero? What is the meaning of the Marvel Universe? Talk it out with your fellow fans.

This group is open to teens and tweens of Belleville NJ (aka Buccaneers) and will take place in three forums. (Parents can register to watch but should let me know if you want a group of your own. You must have a kid in the program. :)

1. We have setup a private facebook group for an ongoing 24/7 discussion about whatever you comic or graphic novel related topic you want.
2. A monthly virtual Zoom group for group discussion for selected comics.
3. Eventually we will also be hosting live events when conditions permit. This is also for selected comics.

The library will be providing comics and graphic novels via Hoopla Digital initially so that we can all read virtually. You will need your library card to access the collection. These are free with your Belleville Public Library card!

You can register for the program by sending us your name and email to ya@bellepl.org or giving the library a call 973-450-3434.
